## A MESSAGE FROM THE SECRETARY

The Illinois Secretary of State's office, in order to recognize those who have served our country, offers eight military service-related license plates.

Armed Forces Reserves, Retired Armed Forces and Illinois National Guard license plates were created to acknowledge those individuals who are working or have worked to protect citizens in times of national emergency and disaster.

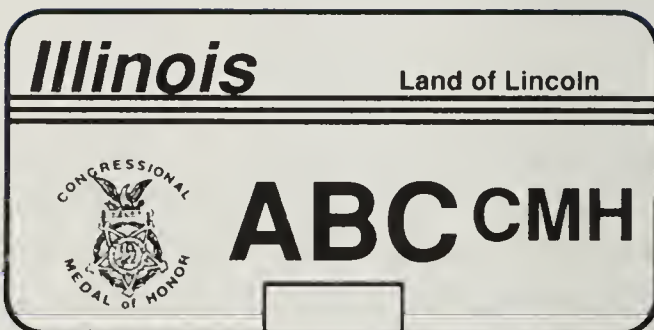

The Disabled Veteran, Ex-Prisoner of War, and Purple Heart license plates honor those who endured the pains of war while defending this nation. The Gold Star license plate honors the spouses or parents of persons who lost their lives while in the service, whether in peacetime or war.

Illinois also honors those recipients of the highest award given by our country, the Congressional Medal of Honor, for their actions far beyond the call of duty.

If you qualify for any of the above special plate categories, I encourage you to obtain the recognition you rightfully deserve.

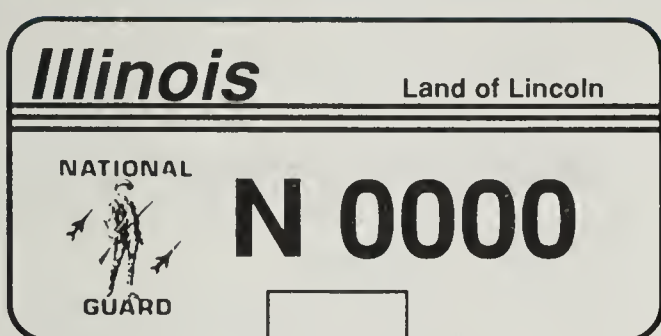

Secretary of State

## CONGRESSIONAL

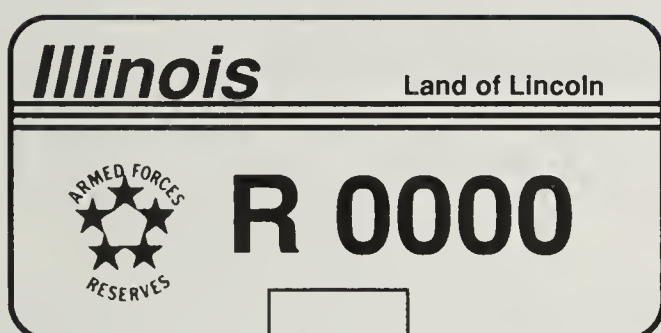

Any resident of Illinois who has been awarded the Congressional Medal of Honor is eligible to apply for these plates at no cost. For further information, contact the Non-Standard Plates Section.

# ILLINOIS NATIONAL GUARD

# ARMED FORCES RESERVES

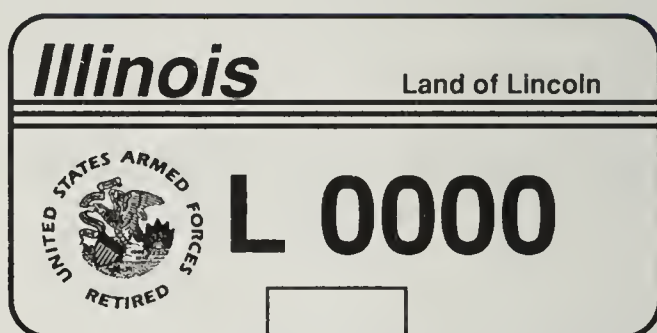

Any active member of the Illinois National Guard or Armed Forces Reserves who resides in Illinois and has a 12-month term of enlistment may apply for these plates.

**Required:** a completed affirmation statement from the military unit showing the member's term of enlistment, signed and completed by the unit commander or representative. The term of enlistment must cover the full 12-month vehicle registration period being applied for.

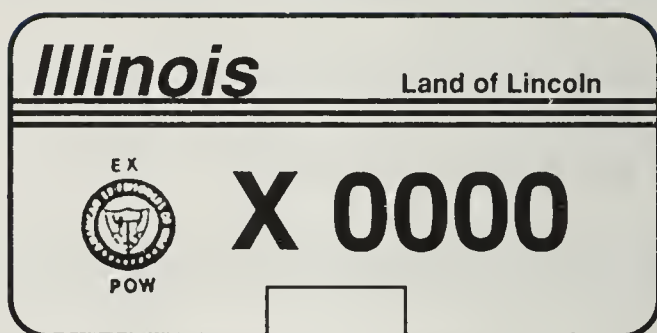

*NOTE: If the term of enlistment does not extend through the registration period for which you are applying, and you plan to re-enlist, complete both sides of the affirmation statement verifying that you will be an active member for the 12-month registration period.*
